BARBECUES & AL FRESCO DINING

Our professional barbecue service means that you can enjoy relaxed al fresco dining without the hassle.

We will set up our gas barbecues at the site of your choice; cook and serve your chosen menu and tidy up!

Our food is always prepared from scratch using the finest, fresh ingredients, we are proud of the provenance of our food, sourcing local and seasonal whenever practical. Our barbecues use locally sourced meat, our burgers are hand made on the premises. Steak cuts are hung for a minimum of 10 days.

Please note a minimum spend of £200 is required for our barbecue menu, this is due to the running costs associated with barbecues,

Our prices include any disposable crockery and cutlery required for your particular menu choice.

***All prices include VAT.** We can sort out 'proper' cutlery & crockery, glassware, linen and any other tableware items you may need. We also have gazebos which you may hire if required. If you would like extra help with hosting the party we can provide friendly, professional service staff who will look after your guests so you can relax and enjoy the event, be it serving drinks, butler service or just clearing up, you can rely on us to make the party run smoothly. Service is charged at £15 per hour, per staff member.*

We are on hand to assist you with any queries you may have and are always happy to discuss your plans either in person or over the telephone.. We will happily create bespoke menus tailored to meet your specifications and budget.
